

December 21, 2016

Meeting of Greer County Excise Board for December 27, 2016 was cancelled. Advance notice was posted on the north entrance door of courthouse building and Greer County Clerk's office on December 21, 2016.

Upon notice via telephone/text to the Excise Board Members the County Clerk cancelled the meeting that was specifically set and posted for 12/27/16. Upon confirmation from the Treasurer's Office as it relates to special appropriations or regular appropriations of the Sheriff's Dept. that was to be used for upcoming payroll purposes, monies were not received by today's date and shortage was not met. Rather than have the Board come in and not be able to have any action, the Clerk advised the members and meeting was cancelled.

Item #3 on the Agenda as it related to the discussion and approval of the minutes from 12/5/16 will be held at the next regularly scheduled meeting on January 3, 2017.

Approved this 3rd day of January, 2017.
